Winter 2002

Message from the President

I and the other members of the Executive Board hope you had an enjoyable **Festive Season**.

Once again, as a result of the dedicated work of our active volunteers and our Vice President of Membership, Jane Morrison, we have a **large membership** for the year 2001-2002.

In September, we had our **first General Meeting** of the new season. It was very good and well attended.

In the near future, lights will be erected in Alexmuir Park. This **additional lighting** will mean increased safety for residents walking through the park. Your Association has worked very hard over several years to make this happen.

At the request of the Executive Board, the City has installed modern **bicycle lock-up posts** (photo below) at the corner of Alexmuir and Finch and the corner of Alexmuir and Brimley. People had been fastening their bicycles to trees; the bicycle posts are a more attractive and secure solution.

Also, we have donated funds to both of our schools—Alexmuir Junior Public School and St. Marguerite Bourgeoys Catholic Elementary School—to assist them in purchasing additional **educational supplies**. Both Principals were extremely grateful for the community's support.

With spring around the corner, we must ask you to "**stoop and scoop**" after your dog. This is important to minimize the health hazard to children and the unpleasantness to passers-by. Also, please keep your pet on a leash to eliminate any risk of unintended and unexpected harm to others.

This past fall we said farewell to Vice President Special Projects, **Gloria Altmann** and her husband Othmar. They have relocated to another community. Gloria was invaluable to our Association and we wish both of them happiness in their new home

Listed below are our current **Executive Board Members** who are all very active in the community:

Ron Green, Vice President Operations

Tom Gillette, Vice President Social Events

John Skears, Vice President Communications

Jane Morrison, Vice President Membership

Lotte Kozlowski, Treasurer

Daniel Siu, Community Liaison

Amanda Huang, Secretary

Horace Atkinson, Newsletter Distribution

Mavis Young, Telephone Committee

Santosh Gupta, Welcoming Committee

Joseph & Emma Hizel, Membership Committee

Feel free to contact any of them with your ideas. Your contribution to ongoing efforts and future events are especially welcome.

Sincerely,

Valerie Plunkett

From Councillor Bas Balkissoon

Ward 41 Scarborough-Rouge River

Dear Neighbour:

Just a reminder that city by-laws prohibit parking on the street for longer than three hours at a time. In the winter months, it is especially important that all vehicles be parked in their driveways so that the snow clearing equipment can do its job.

Littering

I have received a number of complaints about household waste being dumped in the walkway between Dunmail Drive and Finch Avenue, and in the Hydro field along Cleadon Ave. City Staff will continue to clean and monitor these areas. If you witness anyone dumping garbage in public areas, please call my office with any details.
